

Dear Family Members,

As we plan for the Mhoon-Parrish-Moon 2024 Family Reunion in Detroit, Michigan, on July 4-7, 2024, we are exploring the possibility of organizing one or more chartered family reunion buses to transport family members from various cities to the event.

This would provide an economical travel option (compared to air or automobile travel) and an excellent opportunity for family members to bond with each other as they travel to and from the Motor City.

We are conducting this poll to ascertain if there is sufficient interest to pursue this idea. So please take a moment to respond and forward this poll to any family members you know who should have input on this.
